Certificate in The Foundations of Counselling and Psychotherapy

v1.2

Course Description

The Certificate in the Foundations of Counselling and Psychotherapy is a one-year course running from January to November each year that offers a thorough grounding in basic counselling skills from a spiritual perspective that embraces the psychodynamic, humanistic, and transpersonal approaches.

The course comprises one evening a week from 6.30-8.30pm. The Foundation Course is delivered in person at CCPE in Little Venice.

More information can be found on our website at <https://ccpe.org.uk>

Entry Requirements

The current Foundation course entry requirements require applicants to have:

- Sufficient relevant life experience and resilience
- Personal maturity and a willingness to reflect deeply
- An interest in personal and spiritual development including a willingness to enter personal psychotherapy.
- A capacity to listen and respond in a group with respect and openness to difference.
- Evidence of skills and capacity for essay writing and academic work at certificate level

Additional requirements

- The use of psychedelic drugs or psychedelic drug therapies is not allowed while training at CCPE. Trainees who arrive for the course under the influence of any type of intoxicating substance will be refused admittance and may put their place on the course in jeopardy. The welfare of staff and students is paramount. CCPE cannot monitor the taking of drink or drugs by trainees.

Due to the volume of applications received each year, please be advised that those who are not accepted onto the foundation will not be provided explicit detail for why their application has been denied.

Requirements for Award of the Foundation Certificate

Upon completion of the course successful candidates will be awarded a certificate in the Foundations of Counselling and Psychotherapy. The criteria for successful completion are as follows:

- Students are required to complete 40 hours of individual psychotherapy, the majority of which must be during the course*
- Two written assignments: one on counselling theory, the other to demonstrate the student's personal development during the course.
- A minimum of 80% attendance of course lectures and 100% attendance of the weekend seminars.

*Please refer to the '**Personal Psychotherapy**' section of this document for further information.

The course can serve as a preparation for the Centre's four-year professional Diploma in Counselling and Psychotherapy training (UKCP accredited).

For those hoping to go on to the Diploma training, a place on the Foundation course does not guarantee a place on the Diploma Clinical training. There are more applicants than there are places. Further, the diploma training is not suitable for everyone, and some applicants may need to do more personal work before trying again another year.

Initial contact

Interested potential applicants are asked to submit (1) their completed application form and (2) CV detailing their history, qualifications and relevant professional and personal information to admissions@ccpe.org.uk. The application is reviewed by the Admissions Administrator who makes a preliminary assessment of the applicant's eligibility based on the course entry criteria.

If the applicant meets the basic entry criteria, they are asked to pay the admission fee of £85 and then invited to interview with one of the Foundation Interviewers. The interview lasts 50 minutes.

Interview

This interview is used as an information gathering and assessment exercise to ascertain whether the applicant is suitable and ready for training at the Foundation level. It is also an opportunity for the potential applicant to ask questions and to reflect on whether this is the right course to meet their own aspirations.

All applications are considered in line with CCPE's Equal Opportunities policy.

CCPE Equal Opportunities Policy

CCPE promotes equal opportunities for students, clients and staff. CCPE does not discriminate on the grounds of nationality, race, gender, sexual orientation, age, social class, disability, political, religious or spiritual persuasion or practice. CCPE promotes an Equal Opportunities and a Diversity Policy where students, staff and graduates recognise, respect and value the dignity and diversity of others. Waiting List places

Where an application achieved the entry requirements, but there are no available places for the year, the applicant may be put on the waiting list. Should a place become available due to withdrawal or deferral, even up until the last minute, it will be offered to the wait-listed applicants.

Personal Psychotherapy

Students are required to complete **40 hours of individual psychotherapy** with:

- a qualified UKCP registered psychotherapist*
- OR**
- a CCPE clinic trainee
- OR**
- a qualified psychotherapist from a recognised training organisation

Couples work and Group work will not count towards this total and students must not be in therapy with two different therapists at any given time. Personal psychotherapy is at the student's expense and hours can only be counted from October before the start of the Foundation course in January.

*Students who wish to carry on to the Diploma in Counselling and Psychotherapy Course following completion of the Certificate in the Foundations of Counselling and Psychotherapy must be advised that the 4-year course stipulates that trainees work with a fully qualified, transpersonal and UKCP registered therapist. These students should consider seeking out a therapist who meets these criteria from the beginning of the Certificate in the Foundations of Counselling and Psychotherapy to avoid transitioning therapists.

Those who wish to find a qualified CCPE psychotherapist or a clinic trainee should contact reception at info@ccpe.org.uk or 020 7266 3006 to be booked in for an assessment.
